

FOR IMMEDIATE RELEASE

May 26, 2011

## **Awards Party and Awards Party Remote 1.1 Now Available**

Jasper, IN – Leaf eater Games has released Awards Party 1.1 for the iPad and Awards Party Remote 1.1 for iPhone/iPod. Having an Awards Party for the Oscars or MTV Movie Awards? Want to keep track of all your guests' predictions and see everyone's results? Awards Party for the iPad is the app for you! Get Awards Party Remote for the iPhone/iPod so your guests can enter their predictions while you manage all the results from Awards Party for the iPad.

Awards Party and Awards Party Remote can be downloaded at <http://itunes.apple.com/us/artist/leaf-eater-games-llc/id301266477>

### **What's in Awards Party and Awards Party Remote:**

Download the latest version of Awards Party and Awards Party Remote for the MTV Movie Awards. Enter Guest Names and Predictions in Awards Party or have your Guests Enter their own Name and Predictions using Awards Party Remote. Your Guests can then upload their Names and Predictions to Awards Party on your iPad. Track winning Nominations in Awards Party throughout the party and Awards Party will automatically keep track of the winning predictions to determine the Guest prediction rankings. When the party is over, send results to Twitter, Facebook or email them to all your Guests.

### **Awards Party 1.1 Features:**

- Add as many players as you want
- Post Results to Twitter, Facebook or Email
